NEW CUSTOMERS

The premise has never had MCG services:

- No trip charge
- One **FREE** internet outlet

The premise has had MCG services:

- No trip charge
- No installation charges unless new outlets are required

EXISTING CUSTOMERS

Moving to a new location where MCG services have been previously pre-wired:

- Trip charge
- No installation charges unless new outlets are required

Moving to a new location where MCG services are not pre-wired:

- Trip charge
- One **FREE** internet outlet

*Please note that if additional outlets are requested, each will be charged as time and materials, which is reflected on the customer billing statement.

Image Above - Standard MCG Ethernet (CAT 5) Jack

If you are unsure if MCG services were pre-wired at a premise, any jacks that look like the image above indicates MCG services were pre-wired for services at the premise.
