RULES AND REGULATIONS

A. APPLICATION

1. General

- a. The Rules and Regulations specified herein apply to the local exchange services and facilities furnished by the Mahaska Communications Group, LLC hereinafter referred to as the Company. If the customers fail to observe these Rules and Regulations, the Company has the option to discontinue service after due notice of such failure.
- b. In the event of a conflict between these General Rules and Regulations and any conditions contained in the Local Exchange Tariffs, the rates and conditions contained in the specific tariff section shall prevail.
- c. This Tariff cancels and supersedes all other Tariffs of the Company issued and effective prior to the effective dates shown on individual sheets of this tariff.

B. OBLIGATION AND LIABILITY OF TELEPHONE COMPANY

1. Availability of Facilities

- a. The Company's obligation to furnish local exchange service is dependent upon its ability to secure and retain, without unreasonable expense, suitable facilities and rights for such facilities, except as provided for in Part V, Line Extensions.

2. Allowance for Failure of Service

- a. The Company does not guarantee uninterrupted working of its lines or equipment. In case service is interrupted other than by the negligence or willful act of the customer, an adjustment will be made in the amount of the charges for that portion of the service rendered inoperable. Any adjustment shall apply only if the interruption continues beyond twenty-four (24) hours after first noted by the Company. Adjustment will be made in the form of a bill credit. No other liability shall in any case attach to the Company.

3. Adjustment of Charges

- a. In the event of an adjustment of charges for overbilling by the Company, a refund or credit will be made of the full amount of excess charges for a period not to exceed five years. When the period or amount for which overbilling cannot be fixed from available records, the maximum refund or credit will not exceed an estimated amount of such billing.

RULES AND REGULATIONS

B. OBLIGATION AND LIABILITY OF TELEPHONE COMPANY (Continued)

4. Directory Errors and Omissions
 - a. Claims for damages due to errors or omissions in directory listings will be limited to prorated charges for the customer service that is affected.
 - b. In the case of extra listings in the alphabetical section of the directory for which a charge is made, the Company's liability shall be limited to an amount not to exceed the established rate for such listing for the directory period in which the error or omission occurs.
5. Transmitting Messages
 - a. The Company does not transmit messages, but offers the use of its facilities, where available, for communications between parties, subject to the rules, regulations and conditions specified in this Tariff.
6. Use of Connecting Company Lines
 - a. Facilities of other companies may be used in establishing connections to points not reached by this Company's lines. In establishing connections with the facilities of other companies, the Company does not assume any liability for any action of the connecting company.
7. Defacement of Property
 - a. The Company shall exercise care in all work done on a customer's property. No liability shall attach to the Company by reason of any defacement or damage to the customers' property resulting from the existence of the Company's instruments, apparatus and associated wiring on such property, or by the installation or removal thereof, unless such defacement or damage is the result of the negligence of the Company, or its employees.
8. Customer Premise Equipment
 - a. The Company shall not be responsible for any loss or damage, nor for failure or impairment of service in connection with customer-provided facilities unless caused solely by the negligence of the Company. The Company's liability is limited to that provided in the General Rules and Regulations of this tariff.
 - b. The telecommunications network is not represented as being adapted to the use of all customer premise equipment and the Company shall not be responsible for: (a) the through transmission of signals generated by the customer premise equipment or for the quality of or defects in, such transmission; (b) the reception of signals by the customer premise equipment or communications equipment.

RULES AND REGULATIONS

B. OBLIGATION AND LIABILITY OF TELEPHONE COMPANY (Continued)

8. Customer Premise Equipment (Continued)
 - c. The customer indemnifies and saves the Company harmless against claims for libel, slander, or infringement of patents arising from combining such equipment with the facilities of the Company.
 - d. The Company shall not be responsible to the customer if changes in criteria in this tariff or changes in any of the facilities or operations or procedures of the Company render any customer premise equipment obsolete, or require modification or alteration of such equipment, or otherwise affect its use or performance. The Company reserves the right to change the standards of its equipment as the requirements of the telephone business may direct.

C. USE OF SERVICE AND FACILITIES

1. Use of Customer Service
 - a. Customer telephone service is furnished on retail basis for residential or business use only and not for resale except as otherwise provided in Part II, Section O. Service accounts are assigned to customers only, and the customer(s) in whose name the account is established will be treated as the account owner(s) for all purposes. Account owners shall be responsible for any and all use of the subscribed service.
2. Attachment or Connection of Customer Premise Equipment
 - a. Customer premise equipment may be used with the facilities furnished by the Company, for telecommunication service, provided that such equipment will be connected, maintained and operated in a manner compatible with Company's facilities and networks.
 - b. It is the customer's obligation to ensure compliance with any applicable state or federal laws governing the installation and use of customer premise equipment.
 - c. To protect the network and services furnished to the public by the Company, the customer premise equipment must comply with all applicable minimum network protection criteria.
 - d. If customer premise equipment is used which is causing or is likely to cause interference or hazard to the network, the Company will take such action as it deems necessary for the protection of the telecommunications network.
 - e. After notification by the Company of such interference or hazard, the customer shall discontinue such use and disconnect such equipment. Failure of the customer to conform to this requirement may result in suspension of service.
 - f. The customer will be responsible to pay a service check charge as specified in Part VI, Service Check Charges for visits to their premises when the service difficulty is caused by the customer premise equipment.

RULES AND REGULATIONS

D. ESTABLISHMENT AND FURNISHING OF SERVICE

1. Application for Service
 - a. Applications for service may be made orally or in writing. These applications become contracts upon the establishment of service. The Company may require an applicant to pay in advance an amount equal to one month's exchange rate. If a deposit is required by the Company, applicable non-recurring charges and service charges (if any) may be required in advance. The terms and conditions specified for such contracts are subject to these General Rules and Regulations and the local Exchange Tariff for the exchange from which service is to be furnished. Any change in rates, rules or regulations shall act as a modification of the contract to that extent, without further notice.
 - b. Minimum contract periods and termination of service are covered elsewhere in Part II of this tariff.

2. Telephone Numbers
 - a. The customer has no proprietary right in the telephone number or any right to continuance of service from any specific central office, and the Company may assign or change the telephone number, the central office designation, or both, as is necessary in the conduct of its business or subject to any porting requirements. Except for non-payment of yellow page advertising, when customers are assigned a new number within the exchange, the former working number intercept shall provide the new number to a calling party for not less than 60 days or until the issuance of a new directory.

3. Alterations
 - a. The customer agrees to notify the Company promptly whenever alterations or new construction on premises owned or leased by the customer necessitate changes in the Company's facilities. The customer agrees to pay the Company's charges for such changes.

4. Payment for Service
 - a. The customer is required to pay all rates and charges for local, exchange services and facilities.

5. Maintenance and Repairs
 - a. All expense of maintenance and repair of regulated services or facilities provided by the Company will be borne by the Company. The customer will be held responsible for restoration or replacement costs in case of loss of, damage to, or destruction of any of the Company's facilities not due to normal use. Customers may not rearrange, disconnect, or remove or permit others to rearrange, disconnect, or remove any Company owned facility installed by the Company unless provided elsewhere in this tariff.

RULES AND REGULATIONS

D. ESTABLISHMENT AND FURNISHING OF SERVICE (Continued)

- 6. Unusual Installation Costs
 - a. Where special requirements of the customer involve unusual construction or installation, the customer may be required to pay additional costs as provided elsewhere in this tariff.

E. TELEPHONE DIRECTORIES

- 1. Distribution and Publication
 - a. The Company will normally publish and distribute a directory annually containing the serving exchange listings for each Central Office Access Line without charge. Additional directories may be furnished at the discretion of the Company. Directories containing listings for other areas may be provided at a nominal charge. Directories are furnished to customers as an aid in the use of the telephone service. The Company reserves the right to charge for directories issued in replacement of directories.
- 2. Directory Listings
 - a. Directory listings remain the property of the Company and are not to be reproduced without the permission of the Company.

F. ESTABLISHMENT AND MAINTENANCE OF CREDIT

- 1. Establishment of Credit
 - a. The Company is not obligated to provide service to any individual or firm that owes for regulated services previously rendered by the Company at the same or a different address, until arrangements have been made to liquidate such previous indebtedness to the Company. Applicants for telephone service who are required to make a deposit may be required to pay in advance of installation, the service connection, installation and/or construction charges. In order to insure the payment of all charges due for its service, the Company may require any customer to establish and maintain his credit in one of the following ways:
 - 1) By furnishing credit references acceptable to the Company.
 - 2) By means of a cash deposit.

RULES AND REGULATIONS

J. DISCONNECTION OR REFUSAL OF SERVICE

1. By the Company Without Notice
 - a. The Telephone Company may disconnect or refuse service without notice:
 - 1) in the event of a condition on the customer's premises determined by the Telephone Company to be hazardous.
 - 2) in the event of customer's use in such a manner as to adversely affect the Telephone Company's facilities or the Telephone Company's service to others, such as:
 - a) connection of Customer Premise Equipment which causes or is likely to cause interference or hazard to the network.
 - b) Impersonation of another with fraudulent intent.
 - 3) in the event of tampering with facilities furnished and owned by the Telephone Company.
 - 4) in the event of unauthorized use.
2. By the Company After Prior Written Notice
 - a. In addition to the reasons set forth in subparagraph 1a. above, the Telephone Company may disconnect or refuse service after providing at least five days or in the case of deposits twelve days, prior written notice for any of the following reasons:
 - 1) failure of a customer to make suitable deposit as required by these rules.
 - 2) use of service in an unlawful or abusive manner, including to illegally threaten or harass other persons or in violation of any federal, state, or local law applicable to use of service.
 - 3) the customer's bill for local services remains unpaid after the last date for timely payment.
 - 4) for failure of the customer or prospective customer to furnish permits or certificates of right-of-way specified to be furnished in the Telephone Company's rules filed with the Iowa Utilities Board as conditions for obtaining service, or the termination of those permissions or rights, or for the failure of the customer or prospective customer to fulfill the contractual obligations imposed upon them as conditions of obtaining service by a contract subject to the regulatory authority of the Iowa Utilities Board.
 - 5) for failure of the customer to permit the Telephone Company reasonable access to its facilities.
 - 6) any other violation of the Telephone Company's rules and regulations on file with the Iowa Utilities Board, the requirements of municipal ordinances or law pertaining for the service.

RULES AND REGULATIONS

J. DISCONNECTION OR REFUSAL OF SERVICE (Continued)

4. Emergency Medical Conditions

Disconnection of a residential customer shall be postponed 30 days if an existing medical emergency of the customer, a member of the customer's family, or any permanent resident of the premises where service is rendered would present an especial danger to the health of any permanent resident of the premises. Indicators of an especial danger to health include, but are not limited to: age; infirmity; mental incapacitation; serious illness; physical disability, including blindness and limited mobility; and any other factual circumstance which may indicate a severe or hazardous health situation. The telephone utility may require written verification of the especial danger to health by a physician or a public health official, including the name of the person endangered, and a statement that the person is a resident of the premises in question. Initial verification may be by telephone, but the telephone utility may require a written verification within 5 days of the verification of the especial health danger by the physician or a public health official, including the name of the person endangered and a statement that the person is a resident of the premises in question. If the service has been disconnected within 14 days prior to verification of illness for a qualifying resident, service shall be restored to that residence if a proper verification is thereafter made in accordance with the foregoing provisions. If the customer does not make payment during the 30-day period, the service is then subject to disconnection.

5. At Customer's Request

- a. Contracts for service may be terminated prior to the expiration of the contract period provided advance notice is given to the Company and upon agreement to pay all charges due for the service furnished, plus any termination charges which might be applicable.
- b. Where a contract for service with a one-month minimum period is canceled before establishment of the service is completed, a charge not to exceed the service charge specified, is applied if all or a portion of the facilities have been installed.
- c. No minimum or termination charge will apply (unless otherwise stated specifically in this Tariff) where a new customer takes over the service of the former customer, provided the service is to be furnished at the same location without interruption and that the new customer assumes all unpaid charges on the original contract. Minimum and termination charges will apply for any service furnished under the original contract which is not retained by the new customer.
- d. No minimum or termination charge will apply in the event the service is terminated because of condemnation, destruction, or damage to property by fire or other cause, beyond the control of the customer.

RULES AND REGULATIONS

K. PAYMENT FOR SERVICE AND FACILITIES

1. General
 - a. Generally all customers shall pay for services and facilities monthly in advance. Municipal, State or Governmental Agencies may be exceptions to this rule.
 - b. Billing to customers shall be scheduled monthly.
 - c. All bills for local services are due not less than 20 days after the bill is rendered.
 - d. When a customer is connected or disconnected, or for other cause the service received deviates by more than twenty-four consecutive hours from the normal billing period, the bill shall be prorated. If the prorating indicates a refund is due, the refund shall be accomplished by bill credit.
 - e. Failure to receive a bill does not relieve the customer of the responsibility for payment.

2. Disconnection of Service by the Company
 - a. In the event of failure by the customer or those responsible to pay any bill on or before the due date, the Company may discontinue local services upon written notice, allowing the customer five days to make payment or settlement.

3. Service Charge for Reconnection
 - a. Where service has been discontinued for non-payment of a due bill applicable service charges as defined in Part VI of this tariff shall apply.
 - b. Where service has been discontinued for the non-payment of a due bill, the customer may be required to reestablish credit as defined in Establishment and Maintenance of Credit.
 - c. The maximum payment for restoration of service that existed prior to disconnection shall be the total past due amount, applicable nonrecurring charges and if appropriate, an Advance Payment and Deposit as specified elsewhere in this tariff.

4. Late Payment Charge
 - a. All bills for which full payment has not been received paid before the last date for timely payment shall be subject to a late payment charge.
 - b. Each account shall be granted not less than one complete forgiveness of late payment charges each calendar year for regulated services. The customer will be notified that this forgiveness has been used by first class mail, telephone or electronic means.
 - c. Late payment charges shall be 1.5% of the unpaid balance.

5. Returned Check Charge
 - a. A service charge of \$30.00 will be charged on all returned checks.

* - Rates are available to customers at the Company's office, website or by mail.

RULES AND REGULATIONS

L. TAXES OR FEES TO BE BILLED TO CUSTOMERS

1. General

- a. When a municipality or political subdivision imposes upon the Company any license, occupation, franchise, permit, inspection or other similar tax, such tax, fee or charge may be billed to the telephone customers receiving service within the municipal or political subdivision, allocated uniformly on the basis of each such customer's monthly charges for the types of service made subject to such tax, fee or charge.

M. NETWORK CONNECTIONS

1. General

- a. Customers are connected to the telephone network at a point of demarcation as specified in the Board rules.
- b. Connections of new inside station wiring to the network shall only be made at the Demarcation Point.
- c. Such connections shall be made by using a Standard Network Interface and shall be in accordance with Part 68 of the FCC Rules.
- d. Direct electrical connections at the protector or by-passing the Standard Network Interface shall constitute a violation of this Company's filed tariffs and the service may be disconnected in accordance with its filed Rules and Regulations.
- e. Customers shall not be allowed to construct inside station wiring from a demarcation point or between two or more buildings on the same premises to obtain service from an exchange other than that by which they would normally be served. Existing inside wiring obtaining local exchange service within another exchange boundary shall be disconnected by the customer within ten days after receipt of written notification from the Company.

* - Rates are available to customers at the Company's office, website or by mail.

N. CUSTOMER COMPLAINTS

1. General

- a. A customer or prospective customer may initiate a complaint with the Company on any relevant matter by telephone, in person or in writing directed to the Company at any of its offices. The Company's response to the complaint will generally be in the same form used by the customer. However, the Company may respond to written complaints by telephone or personal visits when it believes such communications will be effective in resolution of the issues.
- b. The customer may at any point during resolution of the complaint seek review by a Supervisor or Manager.
- c. Upon investigation and final resolution by the Company, if the customer wishes further review, the customer should direct all appropriate information to the Iowa Utilities Board, Customer Service, 1375 E. Court Avenue, Room 69, Des Moines, Iowa 50319-0069, toll free at 1-877-565-4450, or customer@iub.iowa.gov.

O. RESALE OR SHARED SERVICE

1. General

- a. A reseller or shared service customer may obtain local exchange service from the Company to allow occupants of a building or complex of buildings to share in the use of local exchange services.
- b. The Company will provide service to the point of demarcation.
- c. The customer shall be responsible to extend the service from the point of demarcation.
- d. The end-user customer must be allowed to subscribe to service provided by the Company.
- e. Should the reseller refuse to allow the end-user customer to subscribe to local exchange service direct from the Company, the end-user customer may file a complaint against the reseller with the Iowa Utilities Board, Customer Service, 1375 E. Court Avenue, Room 69, Des Moines, Iowa 50319-0069, toll free at 1-877-565-4450, or customer@iub.iowa.gov.

DEFINITIONS

CUSTOMER - The individual, carrier, reseller, partnership, association, corporation or government agency which contracts for telephone service, or relays messages to or from points outside the extended area, and is responsible for the payment of charges and compliance with the rules and regulations of the Company.

CUSTOMER PREMISE EQUIPMENT - Equipment located on the customer's premise owned by the customer.

DELINQUENT OR DELINQUENCY - An account for which a bill or payment agreement for regulated services or equipment has not been paid in full on or before the last day for timely payment.

DEMARCATIION POINT - The point of connection provided and maintained by the telephone utility to which the telephone utility-owned existing inside station wiring or customer-provided new inside station wiring becomes dedicated to an individual building or facility. For an individual customer dwelling, this point of connection will generally be immediately adjacent to, or within twelve inches of, the protector or the customer's side of the protector. The drop and block, including the protector, will continue to be provided by and remain the property of the telephone utility. In the instance where a physical protector does not exist at the point of cable entrance into the building or facility, the demarcation point is defined as the entrance point of the cable into the building or facility.

DIRECTORY LISTING - A publication in the Company's alphabetical directory of information relative to a customer's name or other identification and telephone number.

DISCONNECT - The disabling of circuitry preventing both outgoing and incoming communications.

DISCONNECT NOTICE - The written notice sent to a customer following billing, notifying that service will be discontinued if charges are not satisfied by the date specified on the notice.

DROP WIRE - That portion of a circuit between the pole line or cable distributing box and the protector or equivalent.

DUE DATE - The last day for payment without unpaid amounts being subject to a late payment charge or additional collection efforts.

DUE NOTICES - See "Disconnect Notice."

ENHANCED UNIVERSAL EMERGENCY NUMBER SERVICE (E911) - A telephone exchange service whereby one or more Public Safety Answering Points designated by the customer may receive telephone calls dialed to the telephone number 911.

C. CONDITIONS (Continued)

6. Supersedure of service provided from a line extension and any adjustment in an amount paid by a customer discontinuing such service will be a matter of negotiation between the disconnecting customer, who has obligated himself for the line extension charge and the superseding applicant.
7. The Company will have the option to specify the type of construction to be used when line extensions are requested for service into real estate subdivisions or mobile home parks. Any difference in costs of types of plant facilities used by the Company or requested by the subdivider will be negotiated between the parties.
8. When the line extension proposed contains growth potential to provide for anticipated future service demands, the proposed customer(s) will only be obligated for that portion of such line extension costs as would be necessary to serve the new customer alone. It will be to that segregated amount that the Formula for average Outside Plant costs will be applied.
9. Line extensions of a temporary or speculative nature
 - a. Line extension of the Company's facilities may be made to provide service of a temporary or speculative nature. An applicant whose service is considered speculative or temporary in nature will be charged the total actual costs of construction and estimated costs of removal, less salvage value, for the material used to establish the service.
 - 1) If after a 12-month period the temporary or speculative project is considered by the Company to be a permanent service, a refund may be made to the customer for the difference between costs paid and the charges which would have been computed for a regular line extension.

CUSTOM CALLING SERVICES (Continued)

C. DEFINITIONS

1. Individual Services

- a. Anonymous Call Rejection: Allows a customer of Caller Identification - Name and/or Caller Identification - Number to reject calls for which calling name/number display information has been intentionally blocked. Only calls for which the information has been blocked are rejected.
- b. Automatic Callback: Automatically redials the last number a customer dials. If the called party's number is busy, a special tone will alert the customer when the called number becomes idle.
- c. Automatic Recall: Enables a customer to receive a voice message identifying date, time and number of the last incoming call. This service also enables the customer to automatically redial the last incoming number, by dialing a one-digit code.
- d. Call Forwarding-Basic: Permits a customer to transfer all incoming calls to another dialable telephone number. The customer pre-selects a second telephone number to which all incoming calls are automatically transferred. Calls may be transferred to a long distance message telecommunications point subject to the availability of the necessary facilities in the central office from which the calls are to be transferred.
- e. Call Forwarding-Busy Line: Allows a customer to have incoming calls forwarded to another predetermined number if the called number is busy.
- f. Call Forwarding-Remote Activation: Allows a customer to activate or deactivate all types of Call Forwarding services, or to change the forward-to destination from a remote location.
- g. Call Hold: Allows incoming calls to be placed on hold and retrieved from the same or another extension.

C. DEFINITIONS (Continued)

- h. Call Rejection: Enables a customer to reject call attempts from up to ___ numbers of calling parties by dialing a code and the telephone numbers of calls to be rejected. Any call attempts to the customer from these numbers will be prevented from terminating to the customer and will instead be connected to an announcement informing the caller that the call is not presently being accepted by the called party. A customer may also reject future calls from the most recent call received by dialing a code after completing the call.
- i. Call Trace: Allows a customer to activate an immediate trace of the last incoming call, without requiring prior approval and intervention by telephone company personnel. The identification of the traced number is located at the telephone company.
- j. Call Transfer: Allows customer to transfer any established call to another number by use of switchhook. This feature also utilizes the switchhook to place a caller on consultation hold.
- k. Call Waiting: By means of a tone signal a customer who is using his telephone is alerted when another caller is trying to reach that station. This permits putting the first call on hold so that a second call can be answered.
- l. Call Identification Blocking-Per Call: Enables a customer to control the disclosure of their telephone number or name and telephone number to a subscriber of Caller Identification (where technically feasible) by temporarily changing the public/private status indicator of the telephone number. A customer must dial a code before each call to change the indicator from public to private. "Public status" allows delivery of the telephone number or name and telephone number. "Private status" prevents delivery of the telephone number or name and telephone number. Per Call Blocking is provided at no charge.
- m. Call Identification Blocking-Per Line: Provides a permanent private indicator on a customer's line. Once blocking is established on the customer's line, the private status cannot be deactivated by the customer. Rates and charges are provided herein. Federal, State and Local Law Enforcement Agencies, nonprofit domestic violence/sexual assault agencies and their staffs, and victims of domestic/sexual assault or individuals who express a personal safety need and sign a personal safety exemption form may be provided additional arrangements for private status and/or line blocking, on a line-by-line basis, at no charge.

C. DEFINITIONS (Continued)

The certification form identifies the customer who is to receive Per Line Blocking at no charge and acknowledges that if a line is equipped with Per Line Blocking, that the telephone number and name will not be delivered to subscribers of Caller ID, including poison control centers, hospitals, medical centers and others who might use Caller ID to provide assistance. 911 is not affected. And, some subscribers of Caller ID Service may choose not to answer blocked calls.

The customer acknowledges the understanding of the above. Further, the customer releases the Company from all claims and liability, including personal injury caused by its errors, omissions and operation or malfunction of Per Line Blocking service.

- n. Caller Identification-Name: Allows for the automatic delivery of a calling party's name to the called customer, which gives the called customer an opportunity to decide whether to answer the call immediately or not. The name is displayed on customer provided equipment.

The name displayed shall be the name associated with the calling telephone number as shown on the Company's records. The Company, in its discretion, may abbreviate or limit that name for display purposes. The Company does not assure name accuracy, and it shall not be liable to any party for errors, omissions or mistakes. The Company's sole and only obligation shall be to reasonably correct errors in names when notified in writing of such errors.

- o. Continuous Redial: Automatically redials the last number a customer dials. If the called party's number is busy, a special tone will alert the customer when the called number becomes idle.
- p. Direct Call Pick Up: Allows a customer to answer a call, during the ringing cycle, that is directed to another line by dialing a present access code and the telephone number of the line to be answered. Both the originating line and the line to be answered must be equipped with the feature.
- q. Distinctive Ringing: A central office based service which provides up to three distinctive ringing codes on incoming calls, using one individual access line. The distinctive ringing codes are achieved by assigning up to three additional telephone numbers to the access line. Two types of Distinctive Ringing are available:

Type A: The above service without a directory listing.

Type B: The above service with a directory listing.

- r. Hot Line Service: Allows a customer to establish a switched connection to a predetermined number when the customer's telephone goes off-hook. No dialing is required and the call is processed automatically to the predetermined telephone number.
- s. Last Call Identification: Enables a customer to receive a voice message identifying date, time and number of the last incoming call.
- t. Last Call Return: Enables a customer to perform an activation procedure and automatically redial the last incoming number without having to know the number of the calling party.
- u. Priority Call: Allows a customer to assign a maximum of 20 callers' telephone numbers to a special list. The customer will hear a distinctive ring at their location, when calls are received from callers' telephone numbers on that list.
- v. Remote Call Forwarding: A service provided in lieu of an individual line whereby a call placed to a customer's telephone number in one central office is automatically forwarded by Company central office equipment to another customer designated line.
- w. Selective Call Forwarding: Allows a customer to specify a special list of a maximum of 8 telephone numbers. Incoming calls placed to the customer from telephone numbers on that list will automatically be forwarded to a predefined telephone number. All other calls will be handled normally.
- x. Speed Calling: Enables a customer to place calls to other telephone numbers by dialing a one- or two-digit code rather than a complete telephone number. Customer may subscribe to only one of either the 8 Code capacity or 30 Code capacity on the same line.
- y. Three Way Calling: Enables a customer to add a third party to an existing call without operator assistance, thereby establishing a three-way conversation. The transmission may vary depending on the distance and routing necessary; therefore, transmission may not meet normal standards.

EMERGENCY REPORTING TELEPHONE SERVICE

ENHANCED UNIVERSAL EMERGENCY NUMBER SERVICE (E911)

A. GENERAL

1. Enhanced Universal Emergency Number Service, also referred to as Enhanced 911 Service or E911, is a telephone exchange communication service whereby one or more Public Safety Answering Points (PSAP) designated by the customer may receive telephone calls dialed to the telephone number 911. E911 Service includes a line and equipment necessary for the answering, transferring and dispatching of public emergency telephone 911 calls originated by persons within the serving area. E911 Service provides for Selective Routing, Automatic Number Identification, and Automatic Location Identification features.
2. Enhanced 911 Service is offered subject to availability of facilities.
3. The E911 customer may be a municipality or other state or local governmental unit, or an authorized agent of one or more municipalities or other state or local governmental units to whom authority has been lawfully delegated. The customer must be legally authorized to subscribe to the service and have public safety responsibility by law to respond to telephone calls from the public for emergency police, fire or other emergency services within the telephone central office areas arranged for 911 calling.
4. The rates and charges contained herein are in addition to all other applicable rates and charges located in other parts of this tariff.

B. RATES

The rates and charges for E911 Service will be determined on an individual case basis. Individual features requested by the customer include, but are not limited to, central office modifications, data base preparation, trunking and maintenance.

ENHANCED UNIVERSAL EMERGENCY NUMBER SERVICE (E911) (Continued)

C. CONDITIONS (Continued)

7. The Telephone Company's liability for any loss or damage arising from errors, interruptions, defects, failures, or malfunctions of this service or any part thereof whether caused by the negligence of the Telephone Company or otherwise shall not exceed an amount equivalent to the pro rata charges for the service affected during the period of time that the service was fully or partially inoperative.
8. Each customer also agrees to release, indemnify and hold harmless the Telephone Company from any and all loss, claims, demands, suits, or other action, or any liability whatsoever, whether suffered, made instituted or asserted by the customer or by any other party or person, for any personal injury to or death of any person or persons, or for any loss, damage, or destruction of any property, whether owned by the customer or others.
9. The customer also agrees to release, indemnify, and hold harmless the Telephone Company for any infringement or invasion of the right of privacy of any person or persons, caused or claimed to have been caused, directly or indirectly by the installation, operation, failure to operate, maintenance, removal, presence, condition, occasion or use of E911 service features and the equipment associated therewith, or by any services furnished by the Telephone Company in connection therewith, including, but not limited to, the identification of the telephone number, address, or name associated with the telephone used by the party or parties accessing E911 service hereunder, and which arise out of the negligence or other wrongful act of the Telephone Company, the customer, its user, agencies, or municipalities, or the employees or agents of any one of them.
10. Because the Telephone Company serving boundaries and political subdivision boundaries may not coincide, it is the obligation of the customer to make arrangements to handle all E911 calls that originate from telephones served by Central Offices in the local service area whether or not the calling telephone is situated on property within the geographical boundaries of the customer's public safety jurisdiction.

- 12. The customer is required to furnish the Telephone Company its agreement to the following terms and conditions.
 - a. That all E911 calls will be answered on a 24-hour day, seven-day week basis.
 - b. That the customer has responsibility for dispatching the appropriate emergency service vehicles within the E911 service area, or will undertake to transfer all E911 calls received to the governmental agency with responsibility for dispatching such services, to the extent that such services are reasonably available.
 - c. That the customer will develop an appropriate method for responding to calls for non-participating agencies which may be directed to the E911 PSAP by calling parties.
 - d. That the customer will provide CPE with a capacity adequate to handle the number of incoming E911 lines recommended to be installed by the Telephone Company. It is the customer's responsibility to ensure their CPE is compatible with the service(s) provided by the Telephone Company.

- 13. When the Selective Routing feature is provided, the customer is responsible for identifying primary and secondary PSAP locations as well as the unique combinations of police, fire, and ambulance or any other appropriate agencies responsible for providing emergency service in the E911 serving area. An Emergency Service Number (ESN) will be provided for each unique combination by the Telephone Company. The customer will associate these ESN's with street address ranges or other mutually agreed upon routing criteria in the E911 serving area. These ESN's will be carried in the Data Management System (DMS) to permit routing of E911 calls to the primary and secondary PSAP's responsible for handling of calls from each telephone in the E911 serving area. The following terms define the customer's responsibility in providing this information:

C. CONDITIONS (Continued)

13. (Continued)

- a. Initial and subsequent ESN assignments by street name, address range and area or other mutually agreed upon routing criteria shall be furnished by the customer to the Telephone Company prior to the effective date of service.
- b. After establishment of service, it is the customer's responsibility to continue to verify the accuracy of the routing information contained in the master address file and to advise the Telephone Company of any changes in street names, establishment of new streets, changes in address numbers used on existing streets, closing and abandonment of streets, changes in police, fire, ambulance, or other appropriate agencies' jurisdiction over any address, annexations, and other changes in municipal and county boundaries, incorporation of new cities or any other matter that will affect the routing of E911 calls to the proper PSAP.
- c. The Telephone Company will provide to the customer on request a complete written copy of the master address file to permit the customer to verify accuracy of the police, fire, and ambulance PSAP routing designations.
- d. Changes, deletions, and additions which the customer desires to have made in the master address file should be submitted on an "as occurred" basis.
- e. The Telephone Company will furnish a written copy to the customer for verification showing each change, deletion, and addition to the master address file.

B. TERMS AND CONDITIONS

1. N11 Service is available in Company territory only. To provide N11 access to end users in another company's territory, or to a Competitive Local Exchange Carrier's (CLEC) end user, the N11 subscriber must make appropriate arrangements with the Company or CLEC serving that territory.
2. This service is provided subject to the availability of the N11 code.
3. N11 can be delivered via regular exchange access lines (by individual business line, PBX trunks, etc.).
4. Access to N11 is not available to the following classes of service:
 - 1+,
 - 0+, 0-(credit card, third-party, collect calls),
 - 101XXXX.

In addition, operator assisted calls to the N11 subscriber will not be completed.

5. The N11 subscriber is restricted from selling or transferring the N11 code to an unaffiliated entity, either directly or indirectly.
6. N11 will not provide calling number information in real time to the N11 subscriber. If the N11 subscriber needs this type of information, the N11 subscriber must subscribe to a compatible Caller Identification Service.
7. Calls to the N11 code that translate to a disconnected number will be routed to intercept of the announcement facilities for a maximum of 60 days, when the N11 provider is a Company subscriber. The announcement provided may refer the caller to another telephone number. Callers placing calls to N11 from areas where N11 Service is not provided will be advised that the service is not available from their number.
8. Disputes regarding geographic coverage by two or more N11 subscribers will be referred to the Iowa Utilities Board.

B. LIFELINE ASSISTANCE

1. The Federal Lifeline Assistance Program is a plan which assists qualified low-income applicants with reductions in their monthly local exchange service rate. The assistance applies for a single telephone line at the applicant's principal place of residence. Qualified applicants shall have their monthly local exchange service rate reduced by the federal support amount defined in 47 CFR 54.403.
2. Eligibility Requirements
To be eligible for assistance, an applicant must provide documentation showing the applicant (1) meets income-based criterion currently defined as at or below 135 percent of the Federal Poverty Guidelines, OR (2) participates in at least one of the following programs as defined by 47 CFR 54.409:
 - a. Medicaid (e.g. Title XIX/Medical, state supplemental assistance)
 - b. Supplemental Nutrition Assistance Program (SNAP)
 - c. Supplemental Security Income (SSI)
 - d. Federal public housing assistance
 - e. Low-Income Home Energy Assistance Program (LHEAP)
 - f. Temporary Assistance for Needy Families Program (TANF)
 - g. National School Lunch Program

The Lifeline customer is responsible for notifying the Company if the customer ceases to participate in any of the public assistance programs listed above.

A Lifeline customer may only receive assistance from one wireline or one wireless telephone provider per household.

3. Application for Assistance
An applicant shall request telephone assistance through completion of a certification form provided by the Company as governed by 47 CFR 54.410.
4. Rates
 - a. The Lifeline customer will receive a monthly credit toward their local exchange service rate. The total monthly credit identified in 47 CFR 54.403 shall be used to reduce the Lifeline customer's rate.
 - b. Toll blocking shall be included with this service offering without charge. No service deposit would be required if applicant voluntarily elects toll blocking with the initiation of Lifeline Service.
